Maths

Reasoning

Reasoning in maths is the process of applying logical thinking to a situation to derive the correct problem solving strategy for a given question.

Tom rolls a dice.
He rolls 1 more than 3

Tom has rolled

What mistake has Tiny made?

There are
43 straws.

What mistake has Tiny made?

Tiny uses base 10 to make
a number.

Tiny writes the number in a place
value chart.

Explain the mistake that Tiny
has made.

Marvellous Maths

Children complete these times table superhero tests every half term. Children are awarded a certificate if they defeat that hero. Each child will work on the 'superhero' matched to their ability. They can only move onto a new superhero when they defeat the previous one.

Reading & Phonics

Little Wandle Letters and Sounds Revised

Our school has chosen Little Wandle Letters and Sounds Revised as our systematic, synthetic phonics (SSP) programme to teach early reading and spelling

Reading & Phonics

The most important thing you can do is read with your child

Reading a book and chatting had a positive impact a year later on children's ability to... understand words and sentences, use a wide range of vocabulary, develop listening and comprehension skills.

The amount of books children were exposed to by age 6 was a positive predictor of their reading ability two years later.

Reading & Phonics

Listening to your child read their phonics book

- Your child should be able to read their phonics book without your help.
- Begin by recapping the sounds, tricky words and new words which can be found inside the front cover.
- If they can't read a word, read it to them.
- Talk about the book and celebrate their success.
- Comprehension questions can be found inside the back cover.

Reading & Phonics

How do we teach reading?

The children read the same book three times in a week.

1. The first time we work on decoding (sounding out) the words.
2. The second time we work on prosody which is reading with expression – making the book sound more interesting with our storyteller voice.
3. The third time we look at comprehension.

We read the books three times at school because we want to develop the fluency. The more the children see words, the more they begin to read them automatically without having to sound them out. These books are then sent home.

You will also read the book three times. Children should be able to read 90% of the words independently.

Handwriting & Presentation

In Year 1, it is expected that most pupils develop the correct starting point for each letter and write them accurately before moving onto precursive in the Spring/Summer term. Precursive are letters with lead-ins.

 <i>Aa</i>	 <i>Bb</i>	 <i>Cc</i>	 <i>Dd</i>	 <i>Ee</i>	 <i>Ff</i>	 <i>Gg</i>	 <i>Hh</i>	 <i>Ii</i>	 <i>Jj</i>	 <i>Kk</i>	 <i>Ll</i>	 <i>Mm</i>

CL

1. Full stops, and capital letters for names and 'I'

2. Joining words
Use 'and'

3. Finger spaces

4. Describing words

5. Punctuation

6. Sounding out words

7. Say your sentence out loud

Speech & Tense

Please listen carefully to their speech and gently correct/re-model any tense issues or any mispronounced words. Lots of these errors are often carried into their writing and can be difficult to re-teach.

"Dat is my bag!"

"I gived her a pencil."

"I haf to tidy my room!"

"I'm going wif my sister."

"I runned as quick as I could..."

Phonics Screening test

The phonics screening check is taken individually by all children in Year 1 in England, and is usually taken in June. It is designed to give teachers and parents information on how a child is progressing in phonics.

The pass mark for 2024 was 32 out of 40 words.

The test will cover all 44 sounds taught during Reception and Year 1 covered in the Little Wandle Phonics scheme.

The test is a mixture of real and alien words.

How can we help to prepare them?

- ✓ Develop a regular routine for reading at home (three times per week using their Little Wandle book) as that book is at the correct level for your child.
- ✓ Flash cards will be sent home for children identified in the half termly phonics test and will be personalised to them.
- ✓ A copy of our grow the code will be sent home for all children.
- ✓ Complete any practise sheets sent home in the lead up to the test.

Homework

- ✓ Independence – ensure it is the child that completes recordings and drawings. We LOVE seeing their work! If they are struggling, please let us know.
- ✓ Be positive – not always easy we know, but we want home tasks to be a positive experience for adults, as well as children. Praise their efforts.
- ✓ Spellings – reinforcing spelling patterns taught in phonics that week.
- ✓ Spellings may be practised on Spelling Shed (*10 games for 1 token*).
- ✓ Homework tasks are given Tuesday and are to be returned by the following Monday. These can be found in the red folder. They will earn one token for the completion of their homework.
- ✓ Reading for pleasure books are picked by the children and can be changed whenever needed.
- ✓ Reading records – please remember that reading with your child three times a week and writing a comment will give them 1 token.

General school expectations

Uniform – Please help children with their independence of fastening up all buttons on their tops and tying shoe laces. We also remind children to have their shirts tucked in so I would be grateful if you could help in showing them how to do it.

PE Kits – Please send kits to school in two separate bags and please have all items clearly labelled. Please use red for indoor and blue for outdoor.

Dinner hall – Please encourage your children at home to try new foods and experience new tastes. Please also encourage them to use cutlery correctly.

Class emails – Please could any urgent messages be sent to the office between the hours of 8:30 and 3:00pm as we don't regularly check class emails during the day.

*thank
you*
